

Downtown Rhinelander Inc.
2023 Summer Flowers & Beautification

Downtown Rhinelander Inc. invites you to help continue the tradition of enhancing the beauty of our downtown with hanging flower baskets. The gorgeous hanging baskets created by Forth Floral, with the help of the Master Gardeners, are essential to beautifying our downtown. Our streets during the Christmas season are spectacular, glowing with the festive lights. The flower baskets and other plantings provide the special look for the summer.

Because of your generous support, along with a grant from the Rhinelander Community Foundation, we were able to purchase new baskets to simplify the watering requirements. The cost of sponsoring a flower basket with summer care remains \$100. Many of you have chosen to give a basket in honor or in memory of someone, which is a wonderful way to remember special people in our lives.

We hope you will join us in supporting our effort to keep downtown beautiful. This program could not survive without the help of the local community and businesses. Extra flyers are

enclosed, with the hope you will be able to help spread the information more broadly. Any contribution you are able to make to this worthy cause is always greatly appreciated!

Thank you from the DRI Floral Basket Donation Committee!
