

The Rhinelander Area Chamber of Commerce is now accepting applications for the **2023-24 Leadership Oneida County program**.

Leadership Oneida County is a nine-month program that will cultivate and prepare emerging leaders in Oneida County. Leadership Oneida County creates an awareness of services and organizations within the County, and reinforces an individual's call to civic responsibility and citizen involvement.

Leadership Oneida County serves as a catalyst in connecting community leaders with local resources, and fosters relationships and self-awareness of Candidates leadership potential.

Candidates from the previous programs shared these thoughts at Graduation:

- "I was able to identify strengths and weaknesses, which has assisted me in my personal and professional relationships"
- "I have had this program on my radar for years. I promote Rhinelander for a living and have taken away so many positive things that can be communicated to clients."
- "I developed new relationships and made important community connections"
- "I'm a life-long resident, and learned there is a lot more out there than I realized"
- "The variety of information presented each month was surprising"
- "I gained a much broader understanding of Oneida County"

The program will kick-off on Thursday, September 14th, with a retreat. Leadership Oneida County will then meet monthly for day-long sessions, from 8:30am to 4:30pm, beginning in October and conclude with the graduation ceremony in May. Each monthly session will focus on a specific area within the County including business, industry, medical, education, government, and community services. Program activities will include touring Oneida County businesses, meeting with community leaders, attending a public meeting and completing a community project.

The program fee is \$450 per participant (\$400 if you are a Chamber Member of any Oneida County Chamber), and will cover all fees including retreats and program materials.

Leadership Oneida County is open to all Oneida County residents and/or employees of Oneida County businesses. 50% scholarships are available, and will be awarded based upon need and candidate qualifications. The 2023-2024 Leadership Oneida County program is limited to 20 participants.
